The sport a boy grows up with... shooting a Daisy®

"In hockey, 'pulling the trigger' is that split second when a player rifles the puck quickly and accurately into the net. Like shooting a Daisy B-B gun, it requires practice and concentration.

Practice helps you gain confidence and develop your skills. And when you hit the bullseye, it gives you a great deal of personal satisfaction. I know, because I've been scoring bullseyes with hockey pucks and Daisy B-B guns for 25 years.

Now my sons Bobby, Blake, Brett and I shoot together. They're learning what a great friend a gun can be, and developing a sense of responsibility that will be useful in all walks of life."

—Bobby Hull
